

Every name is called a NOUN,  
As **field** and **fountain**, **street** and **town**;

In place of noun the PRONOUN stands  
As **he** and **she** can clap their hands;

The ADJECTIVE describes a thing,  
As **magic** wand and **bridal** ring;

The VERB means action, something done –  
**To read**, **to write**, **to jump**, **to run**;

How things are done, the ADVERBS tell,  
As **quickly**, **slowly**, **badly**, **well**;

The PREPOSITION shows relation,  
As **in** the street, or **at** the station;

CONJUNCTIONS join, in many ways,  
Sentences, words, **or** phrase **and** phrase;

*The INTERJECTION cries out, ‘Hark!  
I need an exclamation mark!’*

*Through poetry, we learn how each  
of these make up THE PARTS OF SPEECH.*
